

NWSL Expansion Draft Worksheet

RULES

- Racing Louisville FC can select up to 2 players from each NWSL club excluding Chicago, which traded two players and other assets to Louisville in exchange for full roster protection.
- Louisville can select no more than two U.S. federation-subsidized players total.
- If Louisville selects a U.S. federation-subsidized player from any club, then that is the only player who can be taken via expansion draft from that club.
